

Our children had a great camp experience, so did their parents. Their activities included learning the Lebanese national anthem, Arabic songs, crafts, Arabic calligraphy, making fatoush, chess, science but the most popular game was dodge ball.

A special visitor from Richmond VA, Author of My Grandfather's Mazbaha, Susan Fayad shared with the children the story behind the worry beads. Books are available for sale and they make great presents for children.

Thank you to all of those who volunteered and made this camp possible. We are indeed lucky to have a supportive community. Thank you to those who donated lunches for about 25 children and 5 adults: Doumit, Raghda and Mounif. Many others donated supplies and their time.

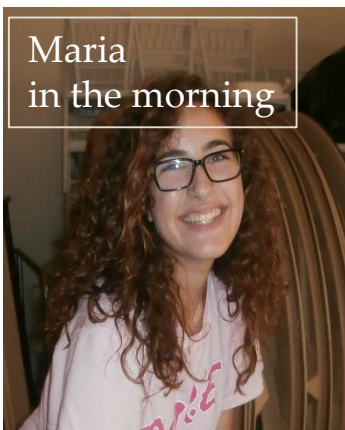

A picture is worth a thousand words! We included several for your enjoyment.

Please note that we will not have a July or August camp as previously mentioned. We apologize for any inconvenience.

Learning to make Fatoush
